its soooooooooo good play it as much as u can man..... This game is so hard if it was a person it could Kill dwan the rock johnson it is literally impossible and i cannot beat it. This game is just REALLY bad, like really really bad.. A very funny and entertaining game.. this game is very bad and i don't know how it was on steam. GAME OF THE YEAR 2017.

-AMAZING GRAPHICS

-SICC♥♥♥♥SOUNDTRACK

-CONTROLS ON POINT

-FANTASTIC STORY

10/10 WOULD BUY AGAIN. This generic "let's try to be retro by being\u2665\u2665\u2665\u2665\u2665quot; game's controls don't work if you put the game in fullscreen mode.. Jack reminds me of COMMANDER KEEN from ancient days.

good times. challenging, interesting and a great platformer... I recommend it!

its soooooooooo good play it as much as u can man..... Why bother playing some half baked game? One level, really? And second - probably unfinished - so they called it bonus... Its nice "backbone" for something bigger, but in this form its unacceptable. Better stick to "Win the game" game.. Jack reminds me of COMMANDER KEEN from ancient days.
